## Formal Disclosure of Actual, Potential, and Perceived Conflicts of Interest of AQCC Commissioner John Clouse

To be included in formal rulemaking record regarding revisions to Regulation Numbers 3, 6, and 7 (February 19-22, 2014 Hearing)

**Commission Composition** 

I, John Clouse, am a Principal for Wind River Environmental Group LLC (WREG). The company provides a full range of air permitting, compliance, and related services in the western United States.

## **Disclosures**

To the best of my knowledge, these are all the disclosures relevant to this rulemaking of which I am currently aware:

I have worked with a number of different clients in Colorado including oil and gas companies, but I am currently not involved in any projects of this nature. To the best of my knowledge, I have no direct or substantial financial interest in any oil and gas business in Colorado. I am prepared to objectively participate in this proceeding with an open mind.

This statement is based on information known and reasonably available to me at the time the statement was made. I acknowledge the duty and reserve the right to supplement or modify this statement if issues arise that would necessitate further disclosures.
